

Hey Noah,

Bev is trying hard to get you a place at .... but you need to help **HER!**

To move to a school that you like, Bev has to show all paperwork is completed|

Bev works with a man called **Mark**. He needs to assess your dyslexia.

**Noah**, Mark would like to visit on Thursday morning so he can complete some assessments, which will give us an update about your dyslexia.

Bev will visit with Mark.

Thank you Noah, this will really help **YOU** and **US!**

Dear Codie,

Tuesday was so good, I enjoyed looking around the MET, and I hope you did too ☺

The staff seemed nice and friendly. Do not worry if they keep asking 'are you happy?' You are probably feeling 'OK' which is fine, they just want reassurance you like them and the MET.

Look at me I got a sticker for being so well behaved

I am looking forward to Monday, but I might need a bit of help with maths!

Don't forget your drink and maybe a snack to eat in the car journey home.

Well done Codie, you are doing brilliantly, you should be very proud of yourself ☺

Love Teddy

## SOCIAL STORIES

Monday 11<sup>th</sup> September 2017

Heyyyyyyy Carla, how's it going? So good to be writing to you again, hope you had a good holiday and did fun things with your lovely family. Well it's nearly time for Chadsgrove, it's going to be a bit different this term as you will be visiting classes in the main school and learning how to be a teaching assistant! There is lots on offer such as trampolining, swimming, forest school, helping with maths (which you are so good at) and we will see which classes you enjoy the most. Take a look at who you will be working with on Monday... ☺

PS... don't forget no PJs!!! We have Lorraine

image!

### Monday's schedule

- Sign in
- Working with Emma in Maths
- Break time with Lorraine (you know Lorraine ☺)
- 11US Forest School
- Home
- Sign out
