LearningShared CPLD Offer

Comprehensive CPLD programme for both specialist and mainstream settings and colleagues

- 🦋 Draws on the wealth of knowledge, expertise and most importantly connectivity across the Evidence for Learning and LearningShared community (600+ specialist settings)
- 🦋 Designed, led and delivered by significant and nationally recognized practitioners and experts, including:
Prof. Barry Carpenter CBE FCCT, Diane Rochford OBE (Chair, Rochford Review), **Vijita Patel NLE** (Principal, Swiss Cottage School DRC), **Dr Tina Rae, Dr Janet Rose, Sharon Gray OBE, Laura Purser** and **Alistair Crawford** with case studies and contributions from many more.

The programme is made up of 7 modules, with each module consisting of:

- 🦋 Pre-recorded lecture / presentation
- 🦋 Module-related case studies from leading schools
- 🦋 Live networking and interactive panel discussion with Q & A (virtual)
- 🦋 Signposted further reading (articles and resources)
- 🦋 Suggested developmental questions and activities to consider in your own school

Illuminations, contributions and case studies provided by outstanding school leaders and practitioners from within our community of practice. The LearningShared CPLD Programme offer draws on the wealth of knowledge, expertise and most importantly connectivity across our community.

PLUS... Access to a powerful Community of Practice via the **LearningShared networking and collaboration space**. Colleagues across your school can search, network, share and collaborate with colleagues and settings across the LearningShared community.
